IN RE: _____

Case No.:_____

Division:_____

MOTION FOR REFERRAL TO ELDERCARING COORDINATION

Comes now the Movant, _____, and respectfully requests this Court refer the above-styled matter to Eldercaring Coordination and as grounds would show that:

1.   One or more of the members of the family recognize that there exists a number of issues that, if litigated, may delay the care decisions needed to be made, take a great amount of court resources including court time and expense to the parties. 2.   In order to protect the guardianship assets from waste, an ongoing alternative dispute resolution method is necessary to minimize family discord from spilling over in to the courtroom. See, Section 744.3031 (1) Florida Statutes (2016).

3.   A referral for participation in the Eldercaring Coordination process will assist in minimizing the physical, emotional and psychological stress of litigation that may adversely impact the protected person (ward).
